Subject: Re: Orissa Report-livestock [Link](#)

Dear Sujitav,

Thank you for sending an excellent report. This will certainly greatly benefit our current work and also, I am sure, future livestock related work in Orissa.

I understand from Dr Punjabi that you are still helping here with the analysis of the VCA data that has been gathered. Once that process is complete, I will be in a position to confirm to FAO that the Orissa work has been satisfactorily completed and hence payment should be released according to agreed terms.

Please let me know if there is a query. I tried but missed you on phone on a number of occasions.

Best regards

Animesh
