Dear Saurav,

I'm back in the office today, just wanted to say thanks to you and the SRADHA team for all your work. I showed the articles to our leadership and they were very impressed!

I also greatly enjoyed meeting the project beneficiaries at CIMP and please also extend my thanks again to the CIMP faculty and volunteers for all their help.

I did post about the visit on social media at <https://www.facebook.com/unaoc.org/posts/1639409282814002> but will also look into doing a bigger article with our social media team.

Thanks again, look forward to working with you on the end of the project as well as for the capacity building workshop in Istanbul!

Best,

**Vanessa Suen**

to me

Dear Saurav,

Apologies for the delay in responding, it was General Assembly week at the United Nations last week which is always hectic. I also had to follow the youth portfolio this year and there were many events on youth following the adoption of Security Council Resolution 2250. For instance, the topic of our Group of Friends meeting was youth, and the High Representative for UNAOC included all the YSF recipients in his speech, which was done in front of the UN Secretary-General and President of the General Assembly – if you're interested in listening,

the video is at <https://www.unaoc.org/2017/09/video-unaoc-group-of-friends-ministerial-meeting/> (the YSF portion begins at 4 minutes).

Thank you
